BUILD OPTIONS

# Fabricated and illuminated wayfinding systems.

|           |                                                 |
|-----------|-------------------------------------------------|
| MATERIALS | SS304/316, aluminium, acrylic inserts           |
| THICKNESS | Panel / box as drawn; sample 2000×500×300 mm    |
| FINISH    | 2-pac Pantone, brushed returns, seamless weld   |
| LIGHT     | Unlit or internal LED                           |
| INSTALL   | Through-bolt, floor plate, or buried pylon cage |
| PACK      | Crate; hardware bag labelled                    |

### Fabricated

Unlit welded panels and blades.

### Illuminated

Lit directories and large ID boxes.

### Pylon / monument

Freestanding totems for entries.

### Custom system

A family of codes, colours, and sizes for one site.

## PROCESS REFERENCE

## RFQ

## What to send

- Sign schedule or drawing set
- Panel sizes and pylon heights
- Unlit or illuminated, and voltage
- Fixing: through-bolt, floor plate, buried cage

Wayfinding is priced from the schedule, not per sign. Send the full list and the site plan.

## On the quote

- Lead time after drawing lock
- Colour system: 2-pac Pantone
- Crated as one shipment or per phase

Seamless-weld and illuminated pylon specs are quoted per job. See the Export build sheet.
